

Note no. V-61/19

The Consular Affairs Division of the Ministry of Foreign presents its compliments to the Diplomatic and Consular Missions in the State of Israel, and has the honor to convey the following.

From 1 August 2019, the Population and Immigration Authority signs its official documents with an electronic signature. Therefore, the Apostille signatures that will be issued on these documents will not specify the name of the public employee who issued the document. Instead, the Apostille will only indicate that the document was issued and signed by the Population and Immigration Authority, Ministry of Interior.

It should be noted that this change of procedure is aligned with Israeli law and regulation and with the Apostille Convention.

Please find attached an example for a document signed with the electronic signature.

The Consular Affairs Division of the Ministry of Foreign Affairs avails itself of this opportunity to renew to the Diplomatic and Consular Missions the assurances of its highest consideration.
